Announcement

May 8, 2009

Discontinuation of the manufacturing and sales of wirewound trimmers and turns counting dials

Dear valued customer:

Thank you for your constant support to Nidec Copal Electronics Corporation.
This letter is to inform you that we will discontinue the sales of the following products.

1) Discontinued Products:

- A: All wirewound trimmers, such as λ-6 (1106), λ-13 (1113), μ-8 (1208),
μ-11(1211), and κ-9 (1309)
- B: Turns counting dial CA-10

- 2) Schedule: Last order acceptance---July 3, 2009
 Last delivery ---October 17, 2009

The object products referred are being manufactured under the control of NIDEC COPAL CORPORATION, which is our sister company, and it recently has decided the discontinuation of the manufacturing. We have no other choice but to discontinue the sales accordingly. We are very sorry to announce this matter on such a short notice and apologize for your inconvenience.

Should you have any questions or worries on this matter, please contact our local sales office for further assistance at any time.

Yours truly,

Shozo Isu
Manager, International Sales
